Hello Fellow Lions,
I just wanted to make sure you knew you are invited and encouraged to attend some awesome events that are coming up in 2008.

The first event is the **state convention**, which our district is hosting in Houma. The convention will be May 2-4 at the Houma-Terrebonne Civic Center. We desperately need all of your help. We will be having a planning meeting on Feb. 13 at the East Houma Lions. We also need your registrations to start coming in. I look forward to seeing everyone there.

To help make our state convention a success, we need your help to sell ads for the program. I am pleading with everyone to ask every business you deal with to buy an

ad. The person that sells the most ads will receive a prize and if you turn in three or more ads, you will receive an award.

Another fun event that is coming up is the **Louisiana Lions Camp** meeting. It will be April 12-13 in Kenner. To book your room call Country Inn and Suites at (504) 305-1501.

The next **Eye Foundation** meeting will be Feb. 9-10 in Ruston. The Eye Foundation also said that with all of your help, the 23rd annual Sugar Bowl Raffle was a great success. The Lions sold 1,248 tickets with a gross income of \$124,800. The winner of the raffle was Blake Wren from Shreveport. So thank you so much for helping with such a worthy cause.

The next **Cabinet Meeting** will be March 5 in Harahan. The theme will be '50s and '60s. I hope to see everyone

dressed up for this fun event.

On some other notes, **8-S Charities** still need your help. The Eye Foundation needs money for computers, and the Camp still needs money to help with buses. So if you can make a donation to either of these causes, send a check to 8S Charities. Send it to Anthony Fregosi, 8 Rhine Drive, Kenner, LA 70065.

Also our **Campaign Sight First II** state chairman asked to get 100 percent district contribution. So if your club has not donated, please consider making a donation today.

I appreciate all of your hard and for making my year so much fun and so enjoyable. I look forward to the rest of my year because I get to work with such great Lions.

Sincerely,
Angela Plaisance,
District 8-S Governor
